### National Vice President

Lloyd Mueller #57186

It is with great pleasure and honor to be serving Region VI this year. My theme for the year is BYOB (No, it does not mean Bring Your Own Bottle). It stands for Believe in Your Organization Beliefs. Everybody has a favorite line in the Jaycee Creed.

My travels for the upcoming year, I am going to Huron, South Dakota to help the South Dakota JCI Senate celebrate their 40th Anniversary on August 8 and 9th. I then plan is to go to Iowa to meet with them and the Iowa Jaycees in Cedar Rapids. Then I will be going to Pennsylvania for the Fall BOD Meeting to be held in Gettysburg the following weekend.

Everybody is invited to join us in Pewaukee, WI for the Fall Region VI Meeting the weekend of October 17-19. There is a registration form on the Region VI Facebook Page. Be glad to see everybody there.

## Greetings Region Six

I am starting Part Two of my Term as President. Actually I'm starting my second term as president. Yes it was planned that way. I'm excited about the coming year. We have an email for the South Dakota JCI Senate thanks to our newsletter editor. We managed to get emails for most of our members which makes it much easier to get information out to all members.

The first big event we have coming up is South Dakota JCI Senate's 40th anniversary. It will be Aug 8 & 9 in Huron, South Dakota at The Crossroads Motel. You still can register if you would like to come. We have some interesting plans for the weekend, golf tournament and a noon barbecue in the park. We will have two speakers for the banquet, Carl Perry #41404 and Dr. Lisa Miller, 2011 TOYSD winner and a 2011 TOYA winner. The Hospitality area will be the entire pool area. We have all the rooms reserved around the pool.

We are working on plans for a SD Senate meeting in the Black Hills area the beginning of October. I will have all the information available at the 40th anniversary.

Another date to remember is November 8th. The annual Holiday Party will be held at the Quality Inn in Sioux Falls, SD that day.

Amazing. That is what the coming year will be. I am Gary Steen. I will be the Co-Sargent-at-Arms with Melissa Sanny. My wife Rose and I live in Watertown, South Dakota. We are the proud parents of five children (all adults) and ten grandchildren. When we are not at JCI Senate events, we are busy going to grandkids events or babysitting. I am looking forward to meeting many more of you in the coming months.

Greetings from the State of MN!

It continues to be a very wet summer here in Minnesota but we are having fun all the same! We had a great time at the US JCI Senate National Convention in Baltimore. Thank you to the Maryland JCI Senate for hosting a fun time of great fellowship and fun-filled days! The trainings were informative and I learned a great deal but I really enjoyed meeting new people from all over the country, reconnecting with those I haven't seen in awhile, touring this (new to me) part of the country, and taking in all of the events on the agenda. The one event I enjoyed the most though was seeing our very own Randy Young being installed as the new US JCI Senate President! We are so very proud of him and we know that he will leave a very positive and lasting impact on our national organization. I am excited to be serving as his home state president and I hope that I can live up to his expectations! I also hope that he inspires you as he does his family of senators here in Minnesota.

I would like to congratulate our 42nd President Leslie Heinonen #66333 on being recognized as an Outstanding State President for the 2013-2014 by US JCI Senate President Larry Bohn #37024! It was a very deserving award for the incredible amount of time and hard work that she has put in over the last two years. I would also like to congratulate Martin "Toon" Bauman #67885 on receiving the Outstanding JCI Senator for the Return the Favor program! Again very much deserved for the time he gives back to his home chapter and others.

I have only just aged out of the Jaycees last summer so "returning the favor" is very high on my priority list. My theme for this year is "Mentoring Matters" and I plan to emphasize that all year, along with encouraging my fellow senators to continue to be that puzzle piece that is so important to a Jaycee's career. I am still very active with my local chapter and serve as a presidential advisor to the current president. I am excited to start this new chapter of my Jaycee career and I think have a great team assembled to help me. I thank them whole-heartedly for stepping up this year!

July will be our busiest month with a planning meeting along with three fundraising/RTF events. The first one was this past weekend at the Bemidji Jaycees Water Carnival in Bemidji, MN, where we ran their bingo this year. It went very well and I would like to thank Don #62610 & Leslie #66333 Heinonen and Bill Beck #45182 for their help on that! Also in Bemidji we will have popcorn sales at the Beltrami County Fair at the end of the month. The Bemidji chapter have been incredibly supportive of

our organization and we thank them a lot! Our other fundraising opportunity is this next weekend at the Spring Creek Motocross Races in Millville, MN. We sure appreciate the opportunity that Dale Preble #64526 offers to us every year to help the Mazeppa Area Jaycees serve beer at this fun event.

Coming up, our next meeting is scheduled for September 13 in Austin, MN when we meet together with the Minnesota Jaycees at their fall state convention September 12-14. As we always do, we will be helping them by manning the floor and verifying vote counts for their BOD meeting and elections, serving as hosts for the presidential reception, providing a meal to their executive team on Friday night, and providing manpower if they need us to. Along with that, we will also be conducting the second half of the training we do for the portfolio competitions. At the spring convention this last May, Don Heinonen #62610 and myself conducted a training on assembling their portfolios and here we will be doing mock interviews here to prepare them for competition in January. It is a busy weekend but one we all enjoy!

Also this fall, we are planning to again have a get-together like we did last year where we had a weekend stay at the Confidence Learning Center in Brainerd, MN. It was so much fun that we want to do it again! That will most likely be scheduled for early October.

We are really busy right now, and will continue to be this year, with planning the US JCI Senate National Convention that will take place in Rochester, MN in June 2015. Remember that you have to register for the Early Hospitality Hog Roast if you wish to partake in that. You can find the registration form on our website at [www.mnjcisenate.org](http://www.mnjcisenate.org). We hope to see all of you there! We cannot thank Sharon Leppla #44742 enough for being at the helm of this great undertaking! Along with that though, we are excited to continue the mission of the Minnesota JCI Senate!

#### Mentoring Matters!

Char Blashill

43rd President

MN JCI Senate 2014-2015

[clblashill@gmail.com](mailto:clblashill@gmail.com)

Greetings from Missouri:

With the start of a new Senate year, I want to congratulate President Susan Hatcher #58143 for a great year last year. She was honored as one of the outstanding State Senate Presidents when we were in Baltimore in June. I am pleased to say that Missouri again has a great group of Senators to lead the organization. The Vice-President is Karen O'Hearn #52200, the Treasurer is Jerry Thompson ##56957, and the Secretary is Kristen Johnson #72859.

Missouri has a lot of activities planned for the coming year many of them with the Missouri Jaycees.

In August, the Senate will assist the Jaycees at Access Day at the Fair where the Jaycees host individuals with physical and mental disabilities to a special day at the Missouri State Fair in Sedalia, Missouri. The day after that the Missouri Senate will have a social at a Springfield Cardinals game being chaired by Senators Mary Holden #57825 & Mike Gilbert #43355. This has become an annual event and is great fun a minor league game. Later in August, Senator Jim Pendleton, Jr. #40286 will chair a social in the Kansas City area where Senators will get together for a game at Royals Stadium.

September will see the Senate meeting with the Missouri Jaycees in Jefferson City for their fall meeting and the following week we will be going to Gettysburg, Pennsylvania for the US JCI Senate Fall BOD. While in Wisconsin, the Missouri Senators present will have an opportunity for their Food Experience which has become a highlight of Regional and National Meetings. This year our Food Experience is being chaired by Senator Debbie Rothweiler #65300 and I

expect we will have another fantastic meal as a group. In October, we will then go to Pewaukee, Wisconsin for the Region VI meeting and again will have another great Food Experience.

It is my privilege to try to lead this fine State Senate organization for the second time, twenty-six years after I was President the first time. Our theme for this year is based on the Latin phrase the Latin phrase "Carpe Diem" and in researching the phrase, I learned that Ovid used the term "Carpe" to mean "enjoy, seize, use, make use of" and so one of the great philosophers that I found said "We should all start to live before we get too old. Fear is stupid. So are regrets."

Thanks to Marilyn Monroe, I want us to go out and enjoy the company of each other and what we do together and with the Jaycees. Carpe Diem – Enjoy the Day.

Our annual golf outing was rained out but we did have 30 people that participated in Putt Putt Golf and we raised \$700. A big thank you for a great job to Jill Marshall and Karen Heng for chairing this for us again. Most of the senators were from Lincoln and the eastern side of the state so I think we may want to look at having an outing in the West as well for those who cannot make it here.

It is time that we as an organization get BACK TO THE BASICS! If there is anything you would like to discuss with me, please feel free to call me at 402-669-0776 or email me at [ced196465757@gmail.com](mailto:ced196465757@gmail.com).

Charlie Denson, #65757

2014-15 JCI Senate President

Hello Fellow Senator's,

Greeting from the great state of ND. We are so exciting for the upcoming year. We had our elections and no changes for the following year.

The ND Senate stated out by giving out two Senatorships to Myra #73353 and Darrel #73354 Helm formerly of the Underwood Jaycees. They have over the past few years been inviting their Jaycee family to their farm for a weekend of friendship and remembrance. This year the event was July 11-13 and we gave them their senatorships on Saturday night. We had 8 past and the current ND Jaycee presidents in attendance. Also at the event we held an raffle for a quilt of Jaycee t-shirts that raised over \$200 and was won by Alice L of Underwood. Thanks to Michelle Mosher #61744, Angie Jelinek #60570 and John Anderson #60163 for taking the time to put it together.

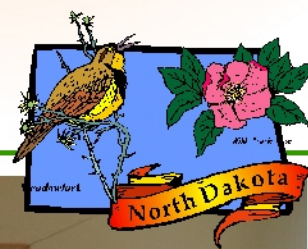

Also we are working on a bid to host the Fall 2015 region meeting somewhere in North Dakota. Hope you all have a terrific summer and see you all soon in Wisconsin. It was a great time in Fargo even though it was a quick trip.

There isn't much else in the news from North Dakota. I will update you on a plan for our next meeting (sometime in the fall). Updates on our new fellow senators to follow, too.

We would like to wish the SD Senators a happy 40th celebration coming up here in August.

Until next time, stay cool and drink plenty of fluids,

Janitda Muller, # 63949

## A Few Words from The Sergeant at Arms

Hello Senators! I'm looking forward to taking care of your President's Sweepstakes and Mentor's this year. Hope you are having a great summer! Can't wait to see you in Pewaukee!

## First Timers Report

Hello fellow senators, I am North Dakota Senator Michelle Mosher #61744 and I am your incoming First Timers PM for Region 6. My job will take place at the regional meetings where I will gather all the senators from your state who have never been to a regional meeting before and welcome them. These senators could be older or newer. They may have been to a regional convention but they only volunteered because your state was hosting a regional meeting but they really did not attend the meeting or other activities. These folks could be considered a First Timer.

At my meeting the First Timers will meet our current leaders and will participate in some crazy fun while attending the convention. So a reminders to all state presidents, please encourage your state members to attend our region meeting and let me know how many First Timers to expect from your state at each regional meeting.

Okay, See you First Timers in Wisconsin this fall!

# Treasurers Information Exchange Program Manager

Congratulations to all the new treasurers on being elected to the most important job in the Senate! By now you are probably wondering "what did I get myself into???" As treasurer you have a couple of important jobs the first is to prepare a budget for your state and then make sure as the year goes on you follow that budget. The second job you will have is membership and making sure that your member's information and dues are turned into the USJCI Senate before the deadlines. The first deadline is **September 1**.

My first hint of the year .... Don't wait until August 31 to try and contact everyone and ask them to send you their dues money. Start contacting them **now**. Would you want the only time you are contacted by the Senate is once a year when you need to send money?? Personally invite them (telephone call) to upcoming events a few months before they are due. Then a couple months before they are due send a bill to them reminding them they are due. Use this to promote life memberships if your state has that option. At the beginning of the month before they are due follow up with the few that didn't send in their money yet. Second Hint... If you don't know the person very well you might get one of their friends to contact them. Then on the day before the deadline send in your information to the USJCI Senate Treasurer.

There will be TIE meetings where treasurers get together and exchange ideas and learn about their duties. The first will be at the Fall BOD in Gettysburg PA Sept 25-28. The second will be at the Region VI meeting in Pewaukee WI Oct 17. Plan on attending these meetings as they will be very helpful in learning about your duties.

If you have any questions feel free to contact me. 573-680-9518 is my cell or email is [dcartee@mchsi.com](mailto:dcartee@mchsi.com)

DeWayne Cartee #62218

Region VI TIE Chairman

Fellow Senators,

I am looking forward to the 2014-15 year as I serve the Iowa JCI Senate as their 43rd President. My primary goal is to continue to grow the relationship between the Iowa Senate and the Iowa Jaycees, as we 'Reflect'

on our past successes and 'Inspire' our current Jaycees and fellow Senators to reach for their goals. Our future success is greatly dependent on the current successes of the Jaycees.

During a recent conversation with fellow senators I was inquiring on ideas for a theme for this coming year and our conversation kept coming back to one major idea that we as individuals and an organization are constantly evolving through intellectual, emotional and spiritual growth, as well as, in numbers as new members are added to our organizations. It is the fresh perspectives that most often challenge us to think outside the box and grow together. This along with my love for a good wine trail gave way to some great analogies. But one stood out the most – a grape vine...

A grape vine produces many bunches of grapes that grow together although at varying rates. Just like individuals and organizations. Each grape represents an individual while the bunch represents our states and finally the vine the overarching organization. As my goal is continue to grow our relationship with the Jaycees this gave birth to the theme for the 2014-15 year. 'Growing Together Side by Si

Our first event of the 2014-15 year was our annual Iowa JCI Senate Picnic which was held in Knoxville, Iowa – July 11 – 13. Thanks to all of the neighboring states who attended our annual event and joined in the fun! And a special thanks to Jim Mammen, US JCI Senate Secretary for attending and swearing me into office. That is definitely one for the books! Our next meeting will be September 19 -21, 2014 in Cedar Rapids, Iowa.

Until we meet again in Gettysburg at the Fall Board of Directors Meeting!

In Jaycee Spirit,

Lisa Badger, #67973

# USJCI Senate Foundation

My name is Donna DeLaney and I am proud to serve this year as the Region VI Representative to the US JCI Senate Foundation. Thank you NVP Lloyd Mueller for the appointment to fill this position. Also, thank you to Marge Miller who has served as the Region VI for several years, and as we all know has done a fantastic job. I have some big shoes to fill, but promise to do my best.

For those not familiar with the Foundation, the US JCI Senate Foundation's purpose is to give scholarships to high school Seniors. We raise the money from our members and friends and use the interest from the money we raise to award the scholarships. For more information on the

scholarship program, see Region VI Scholarship Chairman Dan Badger's article in this newsletter.

As we have done in the past, we will hold a fundraiser at each of the Region VI meetings this year. All donations for our silent auction and our door prize give aways are welcome and greatly appreciated.

The Region VI JCI Senate has a strong history of support for the Foundation and the Scholarship program and I hope to help continue that tradition.

Thank you and see you in Wisconsin at the Fall Region Meeting.

# Future Directions Representative

First, thank you to President Randy Young #46420 and Region VI National Vice President Lloyd Mueller #57186 for appointing me to serve as the Region VI representative on the US JCI Senate Future Directions Committee. The future directions (FD) committee discusses and makes recommendations to the US Senate Executive Committee on matters that do not fall under other committees and usually deal with longer-term futuristic matters. For example, at the recent national convention meeting of the committee in Baltimore, the FD committee made a recommendation regarding future registration fees to attend national board of directors meetings and conventions. After obtaining a significant amount of input from senators across all regions and discussion at the June committee meeting, the recommendation sent forward was simplified to \$85 registration fee for BOD meetings and \$140 registration for national convention meetings. Of course, the Executive Committee makes the ultimate decision. It was very interesting to observe the past FD committee meeting in Baltimore!!!

Also, at the meeting, the future directions committee elected Ray Ainslie #44136 of Illinois/Region 5 (and Missouri Senator) to serve as chairman. Each member of the committee serves as a liaison with the FD committee on other committees – Finance Committee, BOD and Convention Meetings Bid Committee, Treasurer Information Exchange (TIE), or as Secretary. I was appointed to serve as liaison with the TIE meetings.

If you have questions or comments to address to the future directions committee, don't hesitate to contact me.

**As you REFLECT, INSPIRE**
