

TAKING CARE OF BUSINESS

The Official Publication of the Missouri JCI Senate

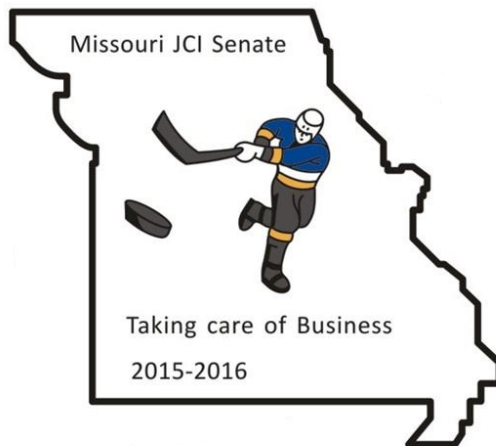

2015 - 2016

March 2016

Greetings! We held our Winter meeting at Kinderhook Lodge at Lake of the Ozarks and were honored to have the US JCI President CJ Jordan # 45857 join us along with National Vice President from Region VI Susan Hatcher #58143. I would like to personally thank Julie Morff # 71917 and Joe Jerkins # 55431 along with many others for making this such a smooth transition to Kinderhook Lodge.

One of the highlights was the Missouri Jaycee Luncheon where US President CJ # 45857 learned how special Wonderland Camp is and then gave some great words of wisdom to our fellow Jaycees and Senators. We also welcomed the following new Missouri JCI Senators: Danielle Grotewiel # 74847, Bret R. Kuhlman #74700, Danielle S. Strong # 75444, Joe Heard # 74825, Nicole Suzanne Besche Buckley # 74824 and Kevin Holliday # 74826. We will see you soon at some of our upcoming projects.

In January Wendy Cox # 69246 got a group together

to help judge scholarship applications. She had a wonderful turnout, Ed Hart # 28991, Mary Elizabeth Dorsey # 62688, Barb Pellikaan # 57247, Carol Martin # 43922, Susan Hatcher # 58143 and I was there to help sort through all the scholarship applications. February started with Ed Hart # 28991 chairing the first Un

Super Bowl Party where money was mailed in and donated to Access day at the fair or Wonderland Camp. Then off to the hockey game to see St. Louis Blues vs the LA Kings and the Blues won. Stephen Swanson # 69296 ran this project with the money going to Wonderland Camp. March we held an Elder Care Seminar which was given by Scott Stork of the Stork Law Firm. It has been a busy year and we are not done yet. Michele Emmerich # 60635 is working on a Winery visit at the end of March.

I want to take a moment and thank the Missouri Senators that helped me have a wonderful year. It is a privilege being your President and I enjoyed getting to know you a little bit better. I couldn't have done it without your support and guidance, thanks so much for everything!

To my fellow Senators: It has been my pleasure to again serve the Missouri JCI Senate during the past two and one half years as an officer. This year has been a great time under President Karen O'Hearn #52200 and the work that the Missouri JCI Senate continues to do for the Jaycees in returning the favor to the Missouri Jaycees and the chapters in this state. You have shown by your working with the Jaycees that we have a great deal of pride from the organization from which we came.

This is the time of year to consider electing new officers and I would ask those of you who desire to serve to let our future directions members of your interest. The future directions committee members are Earl Sawyer #28243, Randy Johnson #56636 and Patricia Yates Cullom #62702. We will be having our election meeting in Macon on May 14.

I think another big shout out should go to Wendy Cox #69246 for again chairing our scholarship program. Last year we had great submissions from around the state, and I am sure that this year we again had the best applicants to submit for scholarships from the US JCI Senate Foundation. We also provide two additional scholarships for the third and fourth place qualifiers.

As I stated earlier we have continued to return the favor by assisting the Missouri Jaycees and its chapters. If you have assisted the Missouri Jaycees or a local chapter and have not provided your time to the Return the Favor chairman, DeWayne Cartee #62218, please do as soon as possible as the last submission for this year is due on June 1.

Hello Fellow Senators,
The results of the MO Senate Scholarship applications are in! We had 186 applications this year, and it continues to be rewarding to see all of the great works these students are doing to impact their schools, their communities and themselves.

Our 2 winners that won at the state level and then were sent on to our National

Competition to represent Missouri were Jessica Nguyen from Central High School (Springfield) and Alexis Jackson from Nixa High School. Our other 2 state winners were Kimberly Blazer from Central High School (St. Joseph) and Carter Sawyer from Parkway South High School.

With your help we were able to give 4 scholarships again this year! I am so grateful for our judges; Ed Hart #28991, Karen O' Hearn #52200, Mary Elizabeth Dorsey #62688, Barb Pellikaan #57247, Carol Martin #43922 and Susan Hatcher #58143. I am thankful for the use of JCI by Earl Sawyer #28243 with support from Mary Sawyer #43930.

Thankful for your support and so hopeful for our future.

Yours in Jaycees,

Thank you for your support as your 2015-2016 Newsletter Editor. Your timely articles have made my job much easier. I hope you will provide the same level of timeliness to our next Newsletter Editor.

I would also like to express my gratitude for recognizing me at our Winter Meeting with the Joe Jaycee/Senator Award. I was honored to receive the award from our US JCI National President CJ Jordan. I fell in love with Wonderland Camp the first time I stepped foot on the grounds. It has become a part of me, and I've developed a passion for it. I will continue to support Wonderland Camp and the Missouri JCI Senate for as long as I am able. Again, I am humbled and very appreciative of your recognition.
