MISSOURI JCI SENATE 2020-2021

Volume 1, Issue 2

November 15th 2020

The Lead Rooster

Greetings to everyone from the bottom of the state. We have had quite a few things going on since the last newsletter, despite the pandemic. I would like to touch on a few of them.

Kathy and I headed to Pella, Iowa in July to attend the Iowa Picnic. It had been scaled back due to the 'Rhona, but it still was a great time. We were able to share in Iowa passing the gavel to their new president, Lora Lawton. Pella is a beautiful Dutch community full of history, flowers, and good food.

I was so grateful for the huge turnout to help us down here with the Jaycee Bootheel Rodeo. The Sikeston Jaycees decided, early on in the pandemic, that there was going to be a rodeo, and we had right at 30 Senators thru the four days come and help us make this years rodeo a huge success. I would like to give a special thank you to Eldon and Phyllis Bowers for coming down out of Iowa to help for three days. I would like to send a very special thank you to our NVP Doreen Lietzau #64069 and First Chauffeur Don Lietzau for making the trip from Minnesota to be with us on Friday night of rodeo. The fact that all of you that came to help really made an impression on the Sikeston guys. They are extremely grateful. We made a difference. Thank you.

With the planning skills of our own secretary, Miriam Wetter, we were able to meet in August for our first live meeting. Thank you for all that attended and helped make the meeting a success. We were able to close out last year and officially kick off this year. Thank you to our own Susan Hatcher #58143, the current National JCI Senate Treasurer, for attending and giving us firsthand information on where the national level is going.

The end of September took us to Lawton, Oklahoma for the Fall BOD meeting of the US JCI Senate. Since the year end meeting that was supposed to be in Greensboro was canceled, the fall meeting was stretched an extra day to allow for the closing of last year in an all-day celebration of People, Purpose and Passion. Region VI was also able to close our year as well. Missouri was honored as the top state in the region and Chris Deen, #73300 was selected as the top president for Region VI. Chris was also honored with a Presidential Award of Honor. Dave DeLaney #41203 was honored as an Outstanding NVP. We also had two memorial award recipients: the Ira Moser Memorial Award went to Susan Hatcher and the Jim Calder Memorial Award was given to Earl Sawyer. Congratulations to all those that were honored that weekend.

The very next weekend was the Region VI meeting held in Des Moines, Iowa. This meeting was met with a lot of challenges. The attendance dropped off considerably, but for some of us, went on virtually.

The next event on the books will be the Halloween celebrations in Hannibal. By the time this reaches you, Kathy and I will be back safely at home. After experiencing how Hannibal embraces Halloween, I would encourage everyone that likes this holiday as much as I to at least experience the downtown parade and living windows at least once. Their haunted house is one of the best I have ever experienced. My hat is off to the Hannibal Jaycees for such a successful and long running project.

Our next gathering will be January 15-17, 2021 at Kinderhook for our winter BOD meeting. There are registration forms on the web, I hope to see a lot of the flock there.

With the country's current situation, the upcoming holidays are going to be really different for a lot of people. The holidays can be tough for some people. Families won't be able to gather as in the past. People won't be traveling. Please be mindful of this and reach out to those that might need a little extra help to get thru the holidays. The Good Lord puts someone on our minds for a reason. Make that phone call, send a card or have something delivered.

Please be careful and stay safe. Thank you for all you do for the Senate and your individual chapters.

The Vice Rooster

Greetings MO Senators! As I am sure you have all heard many times before, but what a crazy time in this world. I have been running around like a chicken with my head cut off. I am thankful that I have been able to work from home, but those walls are closing in. As I prepare for next year, and think about the message, motto, and mascot, I am taking President David's Motto to heart and living my life, daily. That's all we can do is take it one day at a time.

As most of you know, I received my Senatorship from the Jefferson City Jaycee Chapter. They have been keeping in line with Covid-19. They had a successful fair in July, where a lot of changes were made to be in line with the CDC suggestions to social distance, and they did the best they could. The Chapter has had some cancellations of events but has remained positive and are trying to think outside the box. They held a Trunk or Treat in October to raise money for the Shop with a Cop program.

The first Saturday of December is the Annual Jefferson City Christmas Parade that begins at 4:00 PM. President David and First Lady are making plans to attend. Since the Senate Event that is normally held that evening has been cancelled, the Jefferson City Chapter President has invited any Senators who want to come to the Parade to also come to the Chapter Christmas Party afterwards. I for one would love to see you there! If you come earlier in the day we can go to lunch. Let me know if you would like to come. We have lots of hotels around the downtown area, and throughout the town. Coming to the Parade will give us the opportunity come together and to possibly return the favor if needed.

As I finish this article, I want each of you to know that this chick misses you! I hope that we can get together soon!

Hen House Vault

Hello Fellow Senators,

Not much going on here in Jefferson City as this Pandemic is still looming over all of us. Finally was able to get into the bank and get my name on the account so I can write checks and perform my treasurer duties. If I owe you something please email me and I will work to get it to you soon. I had a meeting with the JC State President and Joe Jerkins last night and as of right now the Winter Convention is still on so mark your calendars for January 15-17, 2021. Get your registrations postmarked and get your hotel room booked. I have gotten the renewals out so check Facebook to see who is due in December and any help in contacting those Senators is appreciated. Please keep pushing lifetime memberships and have them contact me if they have any questions.

My next few months are going to be busy with work and visiting colleges for Aubrie. Yes, it's hard to believe but she will be in college this time next year. I am a phone call, text, or email away if you need anything.

Happy Fall,

Julie Morff #71917

The Secretary Speaks!

Happy Fall Y'all! Happy Halloween! Happy Thanksgiving! Merry Christmas! Happy New Year! These are all the greetings I am sending since I won't see all of you until January.

I hope you enjoyed our Summer Meeting in St. Charles! I, personally, thought it was a great time, even with all the problems going on around us.

I have nothing to report about our organization and what's happening. I do, however, have a great Thanksgiving or Christmas Brunch recipe I'll share with you in our recipe section!

Chicken of a Different Color

Greetings Missouri Senate membership, hope this finds all well and safe. As we try to keep busy with events state wide, please keep your health in mind and stay safe. There have been a few events moving ahead without canceling so please check out the calendar to see what's close or of interest to you. Keeping a presence helping the state JC's is a good thing. They may need us and we are not done helping by far.

Lets keep those RTF hours up. Winter meeting is coming up faster than we think, will be good to see everyone again. Hoping that many will be able to make the trip. Please remember to reach out to ones that we have lost contact with and maybe we can get them back on board and active again. Its up to all of us to keep our membership numbers the highest we can make it. So please, if you have any questions, get a hold of Julie and she can give you any information she has on them.

Missouri JCI Foundation—A 501(c)3 Charitable Foundation!

Hello everyone from your Missouri JCI Senate Foundation. As discussed at the meeting in August, the foundation will be doing an annual fundraiser selling tickets until March 30 or until the 1000 tickets are sold. Each ticket has a 3-digit unique number and a potential winning ticket will be determined each day of April 2021 based on the Missouri Lotto numbers pulled. 30 opportunities to Win.

The officers/trustees will be selling tickets until gone or March 30, whichever occurs first. All tickets are

\$5 - donation requested per ticket

Any donation of \$25 and above counts towards your membership in the foundation of \$100.

Just a reminder, on March 13, 2020 the foundation was declared 501C3 tax exempt organization and thus, is qualified to receive **tax-deductible** bequests, devices, transfers under Section 2056, 2106, or 2522 of the Federal Tax Code.

Here's another reason to donate right away - The CARES Act passed in March of this year allows for a \$300 above-the-line deduction for cash charitable contributions made to 501(c)(3) organizations for taxpayers even if you take the standard deduction.

Contact any officer or trustee for more information. Contact Tom Hendrix or Mary Sawyer, co-chairmen for tickets.

Bylaws Proposal

This is the official notification of proposed bylaws changes to be voted on at the annual meeting. Passing of said proposal will be come effective fiscal year 2021-2022.

Proposed change to ARTICLE 1 SECTION 2A. The annual dues of the Missouri JCI Senate shall be \$30. Change from the annual dues for the Missouri JCI Senate shall be the total of the current US JCI Senate dues, plus the dues voted on and approved by a 2/3rds majority of the members present at the Missouri JCI senate annual meeting.

Life Membership

Dear MO JCI Senator,

If you are not a life member of the MO JCI Senate, it is time for you to seriously consider taking the big leap. Currently, dues are \$25 per year making life dues \$250. A bylaws proposal is being offered that will change those dues to \$30 per year and the life membership to \$300. Now who doesn't like a good savings? \$25 just for paying in full prior to June 1, 2021.

Membership Survey

Dear fellow Senator,

Past US JCI Senate President Pittman #53932 is spearheading a sponsorship program that will be offered to businesses, corporations, individuals, etc., that will be used as a means to raise funds for the US JCI Senate. This will be a nationwide, multi-level program with different perks provided to the different levels. The US JCI Senate is needing a little bit of our help in the form of information. I have attached a copy of a survey that was sent to all of the state presidents to fill out and submit back to the committee. This survey is not something I could fill out without the requested information coming first, directly from each of you. Would you please help me, help them? Would you fill out the survey and return to me at your earliest convenience? You will see that the survey is asking for percentages, please disregard that and answer the questions for you individually. This is a blind survey, NO personal information will be shared at any time, only the answers provided. If the form works correctly, you should be able to just "X" the box and return it to me. I will be keeping a tally of the answers and provide the percentages they are asking for. The answers we provide, turned into percentages, will allow his committee to show prospective sponsors what our demographics are. This will also allow them to tailor their sales pitches. The form should be in a format that will let you mark you answers and just send back to me.

Thank you in advance for your help.

Need a quick appetizer?? Here are some ideas -

Hormel Chili no beans and cream cheese with chips.

I have a small appetizer crockpot that make it in.

If you don't like cream cheese, use Velveeta cheese or both cream cheese and Velveeta.

Quick Salsa that looks homemade.

Buy your favorite salsa or fresh pico from the store. Add black beans, corn, fresh green peppers, onion, jalapeno's or whatever. I like to add hot sauce, fresh cilantro, and a little cumin, paprika, salt. That's it.

Pumpkin Ooey Gooey Cake

INGREDIENTS

CAKE LAYER

1 (15.25 ounce) package yellow cake mix
1 large egg, room temperature
1/2 cup (1 stick or 113g) unsalted butter, melted

FILLING

1 package (8 ounces) cream cheese, softened
1 can (15 ounces) pumpkin puree
3 large eggs
1 teaspoon Vanilla Extract
1 teaspoon Pumpkin Pie Spice
1/2 cup (1 stick or 113g) unsalted butter, melted
2 teaspoons McCormick Pumpkin Pie Spice
2 cups confectioners' sugar

INSTRUCTIONS

CAKE LAYER

Preheat oven to 350°F.

Combine the dry cake mix, the egg, and butter with a hand-held mixer or in a stand mixer. The mixture will be very firm.

Pat batter into a lightly greased 13x9-inch baking pan. Try to make it an even layer.

FILLING

In a large bowl, beat the cream cheese and pumpkin puree until smooth.

Add the eggs, vanilla, pumpkin pie spice extract, butter, and pumpkin pie spice. Mix with a hand-held mixer until ingredients are fully incorporated.

Add the powdered sugar and mix well.

Pour pumpkin mixture over cake batter and bake for 40 to 50 minutes.

Make sure not to over bake as the center should be a little gooey.

Serve with fresh whipped cream and sprinkle with cinnamon or a pumpkin pie spice blend.

TIPS: Use room temperature ingredients, whip the cream cheese until fluffy, if you don't have yellow cake mix - white cake works well also. I also do not layer this dessert. I mix it all together and pour it into the pan.
